## 5 QUALIFICATION PATHWAY

### a) UCI Individual Tandem B – Track Para Rankings

The UCI Individual Tandem B – Track Para Rankings will be used to allocate five (5) slots in accordance with the following process:

- Results achieved at UCI sanctioned events from 01 January 2021 to 18 April 2022 will be recognised. UCI sanctioned events are outlined on the Para-Cycling Track competition calendar via the UCI website: [www.uci.org](http://www.uci.org)

- For the avoidance of doubt, the UCI Individual Tandem B – Track Para Rankings will be used to extract results from only prescribed Medal Events from 01 January 2021 to 18 April 2022
- UCI Individual Tandem B – Track Para Rankings will be Commonwealth Games adjusted to recognise a maximum of one (1) athlete per CGA nation in the first instance (subject to CGA entitlements below);
- The top five (5) ranked CGA nations with athletes in the Top 15 on the UCI Individual Tandem B – Track Para Rankings will be eligible to earn one slot for their CGA.
- In the event of a tie between two or more athletes for the final qualification slot, the slot will be allocated to the CGA who has obtained the highest placings in the qualification period.
- Where five (5) CGAs are not represented in the Top 15 on the UCI Individual Tandem B – Track Para Rankings, the CGAs with the highest ranked second athlete on the UCI Individual Tandem B – Track Para Rankings within the top 15 will be eligible to earn a second athlete slot up to the maximum athletes per Medal Event.
- In the event a CGA is unable to accept the award of any and/or all slots earned via this method, the slot(s) will be redistributed via the Reallocation of Unused Qualification Slots Process.

In the case of Great Britain, Crown Dependencies and British Overseas Territories, results attained by British athletes at UCI sanctioned events (i.e. competitions where athletes must compete for their IF affiliated-organisation) shall be attributed to their eligible CGA for the purposes of the Commonwealth-adjusted Ranking List.

## **b) Bipartite Invitation**

In recognition of widely and regularly practising Para-Cycling Track athletes who have not otherwise earned a slot-allocation, one Bipartite Invitation slot (one per event) may be issued.

Applications for Bipartite Invitation slots are to be submitted by the CGA in accordance with the prescribed deadline. It is at the sole and absolute discretion of UCI and the CGF to allocate a Bipartite Invitation slot in an instance where no application has been received.

Athletes to be considered by the Bipartite Commission shall have competed in at least one (1) UCI Sanctioned Event within the qualification period of 01 January 2021 to 18 April 2022.

Where an athlete has not competed in at least (1) UCI Sanctioned event within the qualification period, but would otherwise be deemed eligible, the Bipartite Commission may grant an exemption on the grounds of extenuating circumstances.

CGAs may request this consideration when applying for the Bipartite Invitation slot.

These slots are non-transferable and in the event the CGA is no longer able to accept the Bipartite Invitation slot it will be redistributed at the sole and absolute discretion of the Bipartite Commission with consideration for the factors listed below.

Allocation of Bipartite Invitation slots are made at the sole and absolute discretion of UCI and CGF. In making these decisions, the Bipartite Commission will consider factors including but not limited to:

- Regional representation within the event at the end of the qualification period.
- Depth of field and strength of competition.
- Demonstrated previous levels of performance commensurate to participation in the Commonwealth Games but an athlete has not otherwise attained qualification.
- Extenuating circumstances that may have resulted in an eligible athlete being unable to achieve a valid result within the qualification period.

## **c) Confirmation Process of Allocated Slots**

At the close of the qualification period, the following procedure will be implemented:

- CGF will advise CGAs in writing of the slots attained from the UCI Individual Tandem B – Track Para Rankings;
- CGAs will confirm in writing their intention to accept the slots attained drawn from the UCI Individual Tandem B – Track Para Rankings;
- All slots awarded via the UCI Individual Tandem B – Track Para Rankings will be issued to the CGA for allocation;
- These slots are binding to the event and sport class in which they were attained;
- CGAs to nominate to the CGF for a Bipartite Invitation slot;
- Bipartite Commission to determine the allocation of Bipartite Invitation slots;
- CGF to advise CGAs of the Bipartite Invitation slots attained;
- CGAs to confirm their intention to accept the Bipartite Invitation place/s offered.

## **d) Reallocation of Unused Qualification Slots Process**

Any qualification slots that are not used by the CGA will be reallocated to the next highest ranked eligible athlete (respecting the maximum CGA representation per event). Prior to reallocation, ranked CGAs will initially be asked to confirm their interest in receiving the reallocation of unused

qualification slots. Where there are no eligible athletes remaining in the top 15 of the UCI Individual Tandem B – Track Para Rankings, remaining slots may be reallocated at the sole discretion of the CGF and the UCI. The CGF and UCI reserve the right not to reallocate the slot, in the case that the reallocation process results in the potential award of a slot to an athlete whose performance could compromise the safety and integrity of the competition.
