5 QUALIFICATION PATHWAY

a) World Para Athletics World Rankings

The World Para Athletics World Rankings will be used to allocate slots to the top seven (7) ranked athletes per medal event.

- CGA Nations will be extracted from the World Para Athletics World Rankings to create the Commonwealth-adjusted Ranking List as at 25 April 2022.
- CGAs will be eligible to qualify a maximum of three athletes per event, and the Commonwealth-adjusted Ranking List will be amended to reflect this maximum representation per event.
- In the event the final slot of qualification has been achieved by more than one athlete with the same result, World Para Athletics and the CGF will at their sole discretion determine who receives the final slot.
- In the event a CGA is unable to accept the award of any and/or all slots earned via this method, the slot(s) will be redistributed via the Reallocation of Unused Qualification Slots Process.
- For the avoidance of doubt, only results achieved by athletes at World Para Athletics Recognised Competitions are eligible for the World rankings. The qualification period is as follows:

- 31 December 2020 to 25 April 2022

The World Para Athletics competition levels are defined in the World Para Athletics Rules and Regulations. The World Para Athletics Rules and Regulations and competition calendar can be found on the World Para Athletics Website: www.paralympic.org/athletics

In the case of Great Britain, Crown Dependencies and British Overseas Territories, results attained by British athletes at World Para Athletics Recognised Competitions (i.e., competitions where athletes must compete for their IF affiliated-organisation) shall be attributed to their eligible CGA for the purposes of the Commonwealth-adjusted Ranking List.

b) Bipartite Invitation

In recognition of widely and regularly practising Para Athletics athletes who have not otherwise earned a slot-allocation, one (1) Bipartite Invitation slot per event may be issued.

Applications for Bipartite Invitation slots are to be submitted by the CGA in accordance with the prescribed deadline. It is at the sole and absolute discretion of World Para Athletics and the CGF to allocate a Bipartite Invitation slot in an instance where no application has been received.

Athletes to be considered by the Bipartite Commission shall have competed in at least one (1) World Para Athletics Recognised Competition within the qualification period of 31 December 2020 to 25 April 2022.

Where an athlete has not competed in at least one (1) World Para Athletics Recognised Competition within the qualification period, but would otherwise be deemed eligible, the Bipartite Commission may grant an exemption on the grounds of extenuating circumstances.

CGAs may request this consideration when applying for the Bipartite Invitation slot.

These slots are non-transferable and in the event the CGA is no longer able to accept the Bipartite Invitation slot it will be redistributed at the sole and absolute discretion of the Bipartite Commission with consideration for the factors listed below.

Allocation of Bipartite Invitation slots are made at the sole and absolute discretion of World Para Athletics and CGF. In making these decisions, the Bipartite Commission will award in the first instance to:

- Eligible athletes who have successfully participated in the CGF development programme (GAPS), that have demonstrated previous levels of performance commensurate to participation in the Commonwealth Games.

If there are no eligible athletes that have successfully participated in the CGF development programme (GAPS), the Bipartite Commission will consider factors including but not limited to the following:

- Regional representation within the event at the end of the qualification period.
- Depth of field and strength of competition.
- Demonstrated previous levels of performance commensurate to participation in the Commonwealth Games but an athlete has not otherwise attained qualification.
- Extenuating circumstances that may have resulted in an eligible athlete being unable to achieve a valid result within the qualification period.

c) Confirmation Process of Allocated Slots

At the close of the qualification period, the following procedure will be implemented:

- CGF will advise CGAs in writing of the slots attained from the World Para Athletics World Rankings;
- CGAs will confirm in writing their intention to accept the slots attained drawn from the World Para Athletics World Rankings;

- All slots awarded via the World Para Athletics World Rankings qualification pathway will be issued to the CGA for allocation;
- These slots are binding to the event and athlete that attained the slot;
- CGAs to nominate to the CGF for a Bipartite Invitation slot;
- Bipartite Commission to determine the allocation of Bipartite Invitation slots;
- CGF to advise CGAs of the Bipartite Invitation slots attained;
- CGAs to confirm their intention to accept the Bipartite Invitation slots offered.

d) Reallocation of Unused Qualification slots

Any qualification slots that are not used by the CGA will be reallocated to the next highest ranked eligible athlete (respecting the maximum CGA representation per event). Prior to reallocation, ranked CGAs will initially be asked to confirm their interest in receiving the reallocation of unused qualification slots. Where there are no eligible athletes remaining on the World Para Athletics Rankings, remaining slots may be reallocated at the sole discretion of the CGF and World Para Athletics. The CGF and World Para Athletics reserve the right not to reallocate the slot, in the case that the reallocation process results in the potential award of a slot to an athlete whose performance could compromise the safety and integrity of the competition.
